

WEEK FOUR: AIMING FOR MATURITY

1. What does it mean for you personally to aim for maturity in Christ in your daily life?
2. How do you manage your time effectively to prioritize spiritual growth and maturity?
3. What habits or practices will you commit to in order to develop self-discipline in your spiritual walk?
4. How can you serve others in our church to promote their growth in maturity?
5. How has suffering played a role in your spiritual development?

Weekly Challenge:

Identify one person you can help grow in Christ—and take one intentional step to encourage their maturity.

(Invite them to church; Pray with them; Share a helpful verse or devotional thought; Offer encouragement, correction, or wisdom in love; Ask how you can support their walk with Jesus)
