

WEEK ONE: BUT JONAH ROSE TO FLEE (1:1-3)

1. Jonah knew God's Word, had been used by God before, and still ran from God's clear command. Why is it possible for someone to know the truth and still resist obedience?
2. The sermon said, "We can run without ever leaving town." What are some ways people run from God that may not look obvious on the outside?
3. God sent Jonah to Nineveh before Nineveh repented. What does that reveal about God's mercy, patience, and missionary heart?
4. Jonah's disobedience affected more than just Jonah. How does our obedience or disobedience impact the people around us?
5. Jesus is the greater Jonah: Jonah ran from enemies, but Jesus came near to sinners. How does the gospel give hope to runners and rebels like us?

WEEKLY CHALLENGE

Name where you are running. Where are you avoiding obedience? Where are you delaying repentance? Where are you quietly saying, "God, I know better"?

Each day this week, pray Psalm 139:23-24
