

WEEK FIVE: WHO KNOWS? (3:5-10)

1. The Ninevites “believed God.” Where has God’s Word recently confronted, corrected, or warned you? How have you responded?
2. Repentance begins when we stop treating sin like it’s no big deal.
What is one sin you are tempted to rename, excuse, compare, manage, or hide?
3. The king got off the throne, took off his robe, and sat in the dust. What does pride sound like in your heart when God calls you to repent?
4. Nineveh could only say, “Who knows?” But we can say, “We know.” How does the cross and resurrection of Jesus give you confidence to come to God in honest repentance instead of hiding in shame?

WEEKLY CHALLENGE

Confess one specific sin pattern and take one step to turn.

Do not keep it vague. Name it before God. Ask Him for mercy.
Then take one honest step of obedience.

Repentance is not payment. Repentance is surrender.
