

WEEK EIGHT: GREAT SIN, GREAT GRACE, GREAT RESCUE

1. Jonah could see Nineveh's sin clearly, but he struggled to see the sin in his own heart. Where are you most tempted to notice "their" sin while excusing or minimizing your own?
2. God pursued Jonah through a storm, a fish, a second call, and searching questions. Can you think of a time when God used something uncomfortable to get your attention and bring you back toward Him?
3. Jonah says, "Salvation comes from the LORD." How does that truth humble us? How does it comfort us?

WEEKLY CHALLENGE

Recite Jonah 2:9 ("Salvation comes from the LORD.") each day this week and pray through it this way:

Lord, humble me — I did not save myself.

Lord, comfort me — my rescue rests in You.

Lord, send me — help me show mercy because You have shown mercy to me.
