

WEEK TEN: SOMEONE GREATER THAN JONAH

1. Why were the Pharisees asking Jesus for another sign, even after they had already seen His works? Where are you tempted to delay obedience by asking God for “one more sign,” “one more confirmation,” or “one more reason”?
2. Jesus said the people of Nineveh repented at Jonah’s preaching. What should our response be now that we have the full gospel of Jesus Christ? What is the difference between admiring Jesus and truly repenting, believing, and following Him?
3. Where might you be hearing the truth about Jesus but still resisting His voice? Is there an area of sin, delayed obedience, withheld mercy, or spiritual coldness that Christ is calling you to bring into the light?

WEEKLY CHALLENGE

Respond to Jesus.

Set aside time this week to read Matthew 12:38–41 again. Ask God to show you how you are responding to Christ—not only with your words, but with your life.
