

BRING IT ON HOME!

Today's Bible Story is from Exodus 1-4.

Parents

For Fun:

Clear an open space in your living room and invite a family member to attempt walking through the room while blindfolded. As they walk, have a non-blindfolded family member guide them using only their voice. Let every family member take turns in each role. After the activity, discuss how God called Moses and promised to be with him wherever he went.

To Serve:

Volunteer to rake leaves for neighbors or church members unable to do the work themselves. As your family serves together, discuss how God used Moses to free the Israelites from slavery in Egypt. Remind kids that helping others do what they cannot do for themselves is a great reminder of how Jesus came to rescue us from sin, which we could never do for ourselves.

HELPING KIDS TAKE THEIR NEXT STEPS WITH JESUS.
