

# BRING IT ON HOME!

**Today's Bible Story is from Exodus 5-12.**

## Parents

### **For Fun:**

Play a game of "Plague Charades." Write a few of the plagues or draw scenes that relate to the plagues (swatting flies, realizing you have sores on your arms, being caught in a thunderstorm). Tell a family member to draw a slip of paper and act out the scene while the rest of the family guesses. Review the plagues with your kids and talk about how God used these events to show His power and authority over creation and Pharaoh.

### **To Serve:**

As a family, bake some cookies, bread, or even purchase an item from the store and share it with a neighbor, friend, or local organization. Simply let them know that you're thankful for them and that God loves them. Just as Jesus gave his life so that our sin could be "passed over", we are able to give to others because of that same love. Talk about your experience as a family and maybe even plan your next opportunity to serve someone else!

# HAPPY Mother's Day

**Because of Pharaoh's hard heart, Egypt suffered but God's people were saved. Because of Jesus' loving heart, He willingly suffered on the cross so we could be saved from sin. His blood saves us from our sin just as the Passover lamb's blood saved the firstborn of the Israelites.**
