

BRING IT ON HOME!

Today's Bible Story is from Psalm 1; Jeremiah 17:8.

Parents

For Fun:

Let each family member plant a seed or small plant in a pot or cup. As you plant, talk about how the roots grow deep to help the plant stay strong and healthy—just like we do when we stay close to God through prayer, worship, and reading the Bible. Write Psalm 1:3 or Jeremiah 17:8 on a label to put on the pot or cup.

To Serve:

Think of family, friends, or neighbors going through a hard time. Spend some time praying for them to be rooted in God. If prompted send them a message to let them know you are praying for them or even send something in the mail or stop by their house as a family and bless them with a treat!

Sunday, November 30th

After Thanksgiving, it's a great time to remember how we're thankful for God and the strong foundation He gives us. Psalm 1 shows us that when we stay rooted in God—like a tree planted by water—we have life, strength, and blessings. Choosing to follow God keeps us steady, even in hard times, and helps us grow good "fruit" like kindness, peace, and joy. When we stay close to God, we're on the right path that leads to life!
