### BROUGHT TO THE LIGHT

Advent reminds us why Jesus came in the first place, not because everything was bright, but because the world was deeply dark. That same darkness shows up in our lives today in waiting that feels endless, in fears that steal our peace, and in losses that drain our joy. But Advent declares that God has not left us there. In this series, we will look at how the light of the world breaks into the darkness, not after the darkness is gone, but right in the middle of it. Jesus comes to us in the reality of our lives, not in an idealized version of them. He brings hope where we are waiting, peace where we are anxious, joy where we are weary, and love that holds us through every season. Advent is for all who need it, because Jesus still meets us right where we are.

Christmas Eve is one of the most meaningful nights of the year at First Methodist Conroe, and it's also one of our largest opportunities to welcome guests into the life of our church. Many who attend will be visiting for the very first time, and your presence can help them feel the warmth, joy, and love of Christ from the moment they arrive. We invite you to serve as a greeter, usher, café team member, golf cart driver, welcome center host, or on the communion team.

You can choose the service time and role that works best for you, and families are welcome to serve together where appropriate. Sign up using the provided link or QR code and help us create a welcoming space for all this Christmas Eve!
