

2027 UPGRADES AND ADD-ONS

[Upgrades and Add-Ons Video](#)

As a trip leader, you can customize your team's experience with **UPGRADES** and **ADD-ONS**. Get a first-hand look at all the options in the link above. However, you must select them before promoting your trip. Some options may increase your team members' trip price.

TYPICAL LAST DAY

Before deciding on potential upgrades, here are the typical last-day activities included in your trip's base price...

1. **Morning:** Meeting of the Waters, souvenir shopping, feeding the river monsters, and swimming with dolphins.
2. **Afternoon:** During peak seasons, your team will typically be off the boat after lunch. This allows our AO team time to prepare for the next team.
3. **Mission Base Access:** Your team will spend the rest of the day at the AO Mission Base free of charge.
 - **Amenities:** Air-conditioned hammock area, bunk rooms, vanity room, bathrooms, showers, and outdoor games (ping-pong, pool, volleyball).
 - **Dinner:** Prepared on the boat and served at the base.
 - **Departure:** Head to the airport clean and refreshed.

OPTIONAL UPGRADES are *divided and added to each person's trip cost* (e.g., hotel, restaurant meal, or tips).

1. In-Town Meal: \$50 Pizza or \$75 Steakhouse

- Replace the base dinner with a meal at a Brazilian steakhouse or downtown pizza restaurant near the Opera House.
- **Includes:** Meals, drinks, and desserts for both the US team and Brazilian team.
- *Round-trip bus fare is also included in the above price, but there is a \$150 per stop fee for additional stops (charged by the bus company, not AO).*

2. Final Day Hotel Stay: \$110

- Stay at the **Tropical Hotel** in Manaus (3-star hotel with an infinity pool overlooking the river) for extra rest.
- **Includes:** Double-occupancy rooms and a buffet dinner at the hotel for both the US and Brazilian teams. *(Must be booked early, and Tropical is not guaranteed).*

- *Pizza (extra \$15 ea) or Steakhouse (extra \$ 35 ea) restaurant can be added and includes a meal and drink for both the US and Brazilian teams.*
- *Round-trip bus fare is also included with these two options, but the bus company charges \$150 per extra stop.*

3. Crew & Interpreter Tip: \$50 (or custom amount)

- Tips are welcome, but not required.
- The tip is divided evenly among your nine Brazilian boat crew and interpreter team.
- Adding the tip in advance works especially well for student groups and family trips.

ADD-ONS are paid in advance by the church, individual donors, or funded through a custom fundraising link.
