ELDERS IN CLASS 2025

MARTHA MAYNARD

I started attending FPC San Antonio as a young adult and I like to pretend that I am still a young adult. I currently help lead Sunday School for Middle School and LOVE watching these young people learn and grapple with the Truth of Jesus in today's culture. Some of my favorite memories are mission trips—building pews in the Yucatan and taking FPC's first mission trip to Africa in Kitiruni, Kenya (a National Geographic experience!) I treasure how God has worked in the life of this church and can't wait to see what he has in store for us upcoming. I have devoted my work career to the marketing field and currently consult for businesses wishing to fine tune their marketing plan and team. Outside of work....I mainly just want to be OUTSIDE! I crave the Rocky Mountains and whether it is hiking, fly fishing, snow skiing or just absorbing God's majesty—it lifts my spirits, clears my head and sparks creativity. I love friend gatherings, college football (Longhorns!) and the great adventure of discovering why I am on this planet, and what's next.

BEN MCCALED

Ben is blessed to be called to serve Christ by serving His church in this capacity. He originally joined First Pres with his wife, Teresa, in 1983. They baptized and raised four children in the church. He and Teresa taught Jr. High and High School Sunday School for a number of years. In 1988, Ben went to Kenya on a 1st Pres mission trip, igniting a life-long heart for missions. Ben served on Local Missions, Benevolence Oversight and Personnel and Property Committees and Chaired the Youth Committee. He also served as Moderator of the Board of Deacons and as an Elder. Ben and his family left First Pres for several years to participate in a small, local church plant that became Redeemer Presbyterian. They rejoined First Pres in 2008 and found great joy working with young adults and also assisted with the formation of Life Groups. Ben again served as an Elder, chairing the 1604 Property and Rolls Task Forces. He has chaired the Global Missions Committee and participated in mission trips to the Dominican Republic, Malawi (led with Teresa) and twice to Iraq. Ben's last service as Elder was during our denominational transition, when he served on the Church Relations Committee and chaired the Benevolence Oversight Committee. Currently, Ben serves on the Global Missions and Church Plant Committees. In 2019 Ben and Teresa traveled to London and Turkey to visit and learn more about PARS Theological Institute, which trains leaders for the underground church in Iran. That relationship has grown and Ben now serves on the PARS Board of Directors. Ben is a transactional attorney who has practiced in San Antonio for the past 40 years.

Teaching Sunday School and youth group in the high school ministry was a joy for many years, and since then he has attended, and occasionally taught, various adult Sunday school classes. He enjoys playing music for worship and retreats, ministry to young people through FPC and Young Life, and outreach and service to our community. He looks forward to actively serving again and is grateful for the opportunity. We began serving at FPC by leading the Financial Health Ministry that came out of the Redeeming the Crisis task force. Through this we launched a city-wide campaign called MarginSA to bring financial margin to area families through Biblically-based financial education. We have had more than 40 churches and one synagogue join us in offering Financial Peace University (FPU) classes. In addition to FPU, Muffin and I are honored to lead the Young Adult Committee. We also serve on the Marriage Ministry Committee as marriage mentors and I serve on the Stewardship and Finance Committee.
