## Pray for Global Needs

- Holistic vision for collaborative/unified work toward restoration.
  - For the hearts of world leaders to be transformed so that they seek to do God's will first.
  - Gospel advancement, globally, as so many are looking for hope and healing.
  - The poor of the world. We are losing ground we have gained over the last 20 years, and the implications will have casualties from health to hunger; particularly for children.
  - Families to experience restoration and healing, especially in homes experiencing domestic abuse.
  - Healing and restoration in countries who have been devastated by recent natural disasters like hurricanes, typhoons, tropical storms, and earthquakes. Pray for our ministry partners who are serving in these regions.
  - Peace, restoration, and unity in places experiencing war.
  - Growing wisdom and vision for the global Church as they work to equip and send laborers into the harvest.
  - Open avenues for the Gospel to be received in places where it has not yet been heard.
  - Growing unity amongst the Global Church.
