

LED BY REV. DR. BOB FULLER

If the stories of the Bible are true, then the events described involved real people, in real places at real times in history. Following on our Fall study of the *People and Places of the Bible*, this winter we will focus on the *People and Places of Jesus*. We will unlock the depth of the gospels and the life of Jesus by learning more about the historical, cultural and geographic context of the people and places Jesus knew.
