

WOW Bible Studies Information for You

Our Scriptural Foundation: The fear of the LORD is the beginning of wisdom and the knowledge of the Holy One is understanding.” (Proverbs 9:10)

The Worship Place **WOW Bible Studies** are more than just a “book club.” They are an opportunity for women to study God’s Word together and to grow together in our Christian Faith and fellowship with one another.

LEVELED Bible Studies to help you choose the right study for you:

- **Level 1 – A Foundational Bible Study**

These studies are recommended for ladies who are new to or returning to Bible study after retirement. Level 1 Studies have minimal homework and the opportunity to share in discussions about the text.

- **Level 2 – Flexible Bible Study**

These studies offer just what they say – flexibility! Homework opportunities let ladies go deeper into Bible study. A Level 2 study will usually include up to 20-30 minutes of homework 5 days a week. You can enjoy these classes without doing the homework, but the discussions will be more rewarding for those who choose to try to do the homework.

- **Level 3– Intensive**

These **in-depth** studies teach ladies how to use the **Inductive Bible Study Method**. Inductive studies, like Precept Upon Precept, offer the fullest Bible study experience. These classes usually require 45-60 minutes of home study five days a week in addition to the weekly discussion class.

Our WOW CULTURE:

- **Women of the Word provide a series of Bible Studies for Women on the books, characters and themes of the Bible 4 times a year (Winter, Spring, Summer and Fall).**
- **Regardless of where you are in your spiritual journey, we strive to create a comfortable, safe environment where you can meet with other women to study the Bible.**
- **You do not have to be a member of The Worship Place to join our studies.**

7 Ways You Can Study with Us:

1. **Just come join us!**
2. **Read through the text, but don’t have time to answer the questions, just COME!**
