Students, join us for a weekend centered on Jesus' words in John 14:6-7: "I am the Way." In a world full of distractions, this weekend helps students discover that following Jesus isn't about religion or performance—it's about a real relationship that leads to truth, purpose, and life. Through worship, teaching, and community, students will be challenged to walk with Jesus step by step and choose His way daily.

PARENT MEETING: Today after second service in The Sanctuary to share DNOW details with students/parents.
