

what why who?

What is the target?

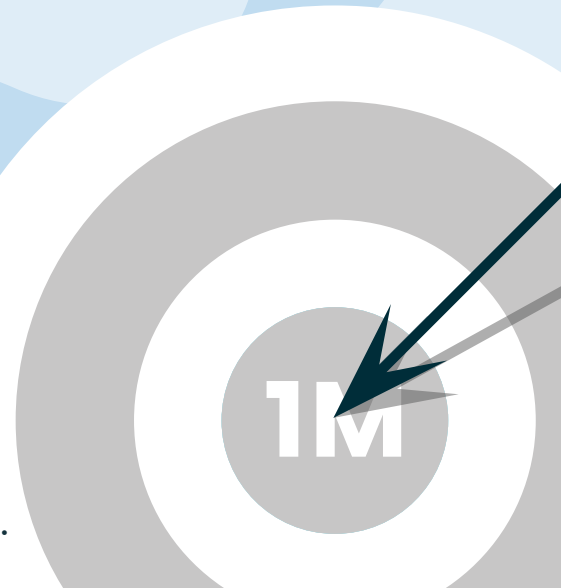

Pay off our \$1,000,000 debt by February 2027!

Why is now the time?

Doing this now positions Northview to respond to God's leading without fear of financial constraints.

Who is making this happen?

As a member this responsibility belongs to each and every one of us. Paying this off now doesn't just erase debt—it creates a \$130,000 budget surplus for growth every year. This is simply smart.

the plan

THE PLAN: YOUR CHURCH DEBT FREE IN THE NEXT 17 MONTHS

Brothers, I do not consider that I have made it my own. But one thing I do: forgetting what lies behind and straining forward to what lies ahead, I press on toward the goal for the prize of the upward call of God in Christ Jesus. Philippians 3:13-14

THE IMPACT

Being debt free releases over **\$130,000 annually** from our budget to:

- **Consider** Future Possibilities:
New outreach programs and community services.
- **Embrace** Future Opportunities:
Upgrading facilities, campus, and technology
