A message from our Head of School,
LES RAINEY

The 2024-25 school year marks 52 years that Bay Area Christian School has been in the ministry of Kingdom Education. While God's Word doesn't speak specifically to education, scripture does engage in great lengths in terms synonymous with education such as training, discipling, instructing, and nurturing. As a parent, I have to ask who is educating and influencing my children. Your child will spend approximately 1400 hours this school year with faculty, staff, and admin that are committed to educating them in a Bible-based and Christ-centered manner. As a ministry of Bay Area Church, we believe that there is no greater influence than when the church, school, and home partner together to train the next generation so that they are equipped to serve and bring glory to God with their talents and gifts.

I hope you find this guide informative and helpful as we prepare to launch the school year in August. Rather than fill up your inbox with multiple emails, it's our hope that this method of communication will centralize most of the details needed into one publication. In the pages below, please note our great new additions to our teaching team, pertinent information for each division, and lunch menu options, among other helpful items.

For the moment, the campus is quiet, however, in just a few weeks these 48 acres will be brimming with optimistic energy and excitement of a new school year. As we diligently prepare the campus for our Bronco students, please do not hesitate to contact the respective divisions and departments with any questions that may arise.

It's a great day to be a Bronco!
