

Canton First Methodist Church Preschool

CFMC Preschool is a non-profit ministry of Canton First Methodist Church, established to meet the needs of the children of its congregation and the surrounding community. This ministry is dedicated to providing a balanced program that helps families raise children with strong Christian values, who also possess all the skills necessary to enter elementary school.

The goals of our Preschool are to nurture and develop the following in each child:

- *An understanding of God's love*
- *A positive self-image*
- *A respect for others and for self*
- *The ability to work and play happily with others in a group*
- *A natural curiosity about all things*
- *An understanding of self, home, school and community*
- *A respect for the rights, ideas, and opinions of others*
- *Academic and creative potential through music, stories, art, and play*
