

Sermon Discussion Guide (10/19)

Begin the discussion by checking in with each person present and share prayer requests/praises with the group. Then, have one person offer a prayer for the group making sure to include any prayer requests that were mentioned earlier.

Introduction

Because the primary way we worshipped this past week was through serving, the sermon discussion questions for this week are meant to help group members reflect on their service experience from Sunday.

Reflection Questions

Describe your serving experience. Did you serve onsite or offsite? What type of work did you do? Who or what organization were you serving?

Did anything occur that was different from what you had expected? If so, please explain.

How did you experience God in the work that you were doing? Through your time serving, how did you see the character of Jesus reflected through the people you were serving with?

Did you discover anything about the spiritual gifts that God has given you to use for the upbuilding of His kingdom?

In what ways did you share Christ with others?

Is there anything that God revealed to you on Be the Church Sunday that you can apply to your everyday life? If so, what step will you take this week to apply what you learned to your life?
