## YOU NEED ME AND I NEED YOU | MARCH 30, 2025

### SERMON RECAP

*Walking with Jesus was never meant to be a solo journey. We need each other for encouragement, accountability, and exhortation. Through community, we can find the strength to persevere.*

### THE LEAD IN

- Have you ever had to work through a challenging situation alone? How might it have been different if you had support and others with you?

### GETTING INTO THE TEXT

- Read the same passage we did last week, Hebrews 10:19-27. How might gathering together and encouragement (verse 25) go hand in hand?
- Acts 2:42-47 gives us insight into the early church. What did community look like for them? How could we use their gatherings as a model for how we live with brothers and sisters in Christ today?

### GOING DEEPER

- Why do you think some of the believers in the early church abandoned the gathering? What are some reasons that you might use to justify not going to church or other gatherings of the body of Christ?
- How can you, as a Life Group, be more intentional about encouraging each other as you wait for Christ's return?

### PRAYER

- Pray for brothers and sisters who are in isolation. Pray that you all will be faithful to gather together and corporately with the body.
