LG DISCUSSION GUIDE

LIFEGROUPS

Use these questions in your Life Group gatherings or for further discussion as a family.

HE WILL FINISH WHAT HE STARTED IN YOU | APRIL 27, 2025

SERMON RECAP

God worked in Paul's heart to get him to Philippi. The resulting relationships were beautiful. We can experience blessing with God's people when we trust His direction. God will continue His work in us until His return!

THE LEAD IN

- Share a story about when a change of direction in life or an unexpected event led to something positive.

GETTING INTO THE TEXT

- Read Philippians 1:1-6. How does Paul feel about the people in the church in Philippi? How does that affect the way that he prays for them?
- Acts 16 tells the stories of Lydia and a jailer and his family who came to know the Lord. Consider that history as you read Philippians 1:6. What is Paul encouraging the Philippian church with?

GOING DEEPER

- Paul didn't intend to go to Macedonia where Philippi was. But God changed his direction, and we see the depth of relationship that resulted. Think back to the story you shared in the Lead In. What relationships or experiences are you grateful for that may not have happened if God hadn't changed the direction of your life?
- If you are a follower of Christ, do you believe that He began a good work in you and will carry it out until the return of Christ? What areas of life is it harder for you to trust that He will continue to work out for good?

PRAYER

- As you pray for each other, pray the way that Paul did for the Philippian church. Name things you are thankful for that God has done in their lives and pray for confidence in God's work in their life as we await His return.
