**St. George School PTO Spring Gala to Raise Funds for the Parish Hall Kitchen**

As the St. George School PTO Spring Gala Chair, I am excited to share that we are hosting this year’s Spring Gala to **raise funds for the renovation of the parish hall kitchen**. This updated space will serve both our school and church communities, providing a welcoming and functional environment for gatherings, events, and fellowship.

We would be so grateful for your support.

One meaningful way to help is by **donating an item or service** to our silent auction. Your contribution will play an important role in helping us reach our fundraising goal and make the parish hall renovation a reality.

If you feel called to do so, you may also support the project through a direct financial contribution to the **renovation fund**.

Thank you for your continued generosity and commitment to the St. George parish community and school. We truly appreciate your partnership and support.

With gratitude,  
Kate Parsons, St. George PTO Spring Gala Chair

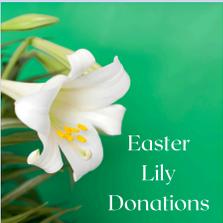

## MISSION TRIP INTEREST??

We are gauging interest in going on a mission trip to the Cheyenne River Mission in South Dakota.

Please let Fr. Ram know ASAP if you are interested.

## Creation Care

**Native purple coneflower (Echinacea)** along your fence line feeds pollinators in summer, then its seed heads feed 30+ species of songbirds through winter. One planting, two seasons of wildlife support. Turf grass lawns provide zero food value year-round.
