In 2021 the Interfaith Hospitality Network (IHN) announced a new name, “[Family Promise of Greene County](#).” The Schneider House of Hope in Xenia is still the same place for meal deliveries.

This is a great way for small groups to serve. As a matter of fact, Epiphany youth chose this opportunity as one of their fall service projects! Join our youth in serving our ministry partner, Family Promise.

Examples of groups of people who could provide a meal together:

- friends
- families
- small groups
- ministry groups

The guests are used to simple meals. Examples of simple meals include grilled hamburgers, hot dogs, sloppy joes, and pizza.

- Each meal needs to have meat, a vegetable, and dessert.
- We ask that you try not to duplicate meals. For example, avoid two Italian pasta dishes in the same week.
- Disposable aluminum containers are recommended for the meals.
- You do not need to take any tableware, condiments, or beverages, as these are already provided.

The meal will need to arrive at the Schneider House of Hope in Xenia by 5 p.m. A Family Promise point of contact will help you get food into the house. We typically encourage people delivering meals to stay and visit with the house guests, but it is not required.

Thank you for volunteering to prepare and deliver a meal to families less fortunate than we are. “*For I was hungry and you gave me food...*” - Matthew 25:35 (NRSV)
