of "London Bridge Is Falling Down."

**We were fishing in a boat,
 In a boat, in a boat.
 We were fishing in a boat;
 There were no fish.**

**Jesus told us what to do,
 What to do, what to do.
 Jesus told us what to do,
 And we listened.**

**Then we tried the other side
 Of the boat, of the boat.
 Then we tried the other side;
 We caught many fish!**
