

The Early Childhood Corner

From the Teachers' Desk

Dear parents,

As July has come to an end, there has been some disappointment about how few days we have been able to spend the entire day outside. We have been up against several weather conditions that have kept us inside. Our hope is that August will bring us more favorable weather conditions. That being said, we were able to get outside and use the pools and sprinkler on a few of those warm and muggy days.

It was both enjoyable and refreshing for the children.

Our themes for July included the 4th of July, "On Wisconsin" (we learned "Jump Around") and Jungle/Zoo animals. Our Bible stories reminded us how God's power can do anything and how He protects us. Pastor Adam comes down and reads/teaches our Bible story once a week. The children enjoy the time he spends with us in Child Care.

Our

summer program will officially end on Aug. 22nd.

Swimming suits, towels and sunscreen will be sent home at that time. Also, please note that Child Care will be closed Aug. 29th to allow the teachers to make final preparations for the new school year.

We hope everyone has a great August!
