

Book Buddies

What: These are bags containing a book and a stuffed animal as well as project ideas, recipes, songs and fingerplays revolving around a common theme.

Who: They may be checked out by any family with a child in the threes or fours class.

When: Today everyone in your child's class chose a Book Buddy to try at home. You may keep it for up to a week. The due date is in the bag. When finished, return it to the box on the floor by the hanging Book Buddies in the classroom. You may check out another one whenever you would like.

Why: The activities provide ideas which families can do together while providing one more way to help develop your child's interest and enjoyment in books.

Sign-Out Procedure

1. Choose a bag.
2. Write your name, the bag number, today's date, and the date due on the sign-out sheet.
3. Take a date due slip out of the pocket, add the date, and take it home with the bag.
4. Make sure you know how to open the bag - it has an unusual opening.
