IMPORTANT INFORMATION:

5 Lessons have been pre-selected from this series.

Lesson 13, "The Triumphant King" has been scheduled for December 20th, because it has Micah 5:2 – the prophecy of the Messiah being born in Bethlehem.

However, if you would like to schedule your own stand-alone Christmas lesson for the 20th, I would recommend skipping Lesson 1, and doing the two lessons in Jonah and the two lessons in Micah (Lessons 10-13).

We will begin a new series in January of 2027. Lessons will be distributed to the teachers mid-December.
