Sermon Title: By Grace Alone, Through Faith Alone, In Christ Alone

Scripture text: Ephesians 2:4-10

Outline:

1. Our Subtle Works
2. The Whole Christ

Questions:

1. Why must the church always fight to see the true and pure gospel protected from various distortions?
2. Have you ever considered that even faith and repentance can be seen as “works” that help us earn our salvation? How is that possible?
3. Have you ever thought that you had to “clean up your life” before you could come to Jesus? How does that view manifest itself in our lives?
4. How is the gospel offensive to our pride?
5. What does it mean to receive “the whole Christ”?
6. Reflect on the following statement: “The gospel does not tell us, ‘do this and live.’ Instead, the gospel says to us, ‘Live, and then do this.’”
