

A NOTE FROM YOUR PASTOR:

NBC Members and Friends,

As we approach our **16th Church Anniversary**, we have so much to be thankful for and you are one of those blessings. God surely guided you to New Beginnings Church for His purpose and Glory! We are part of something bigger than ourselves!

New Beginnings Church is immensely blessed as evidenced by the growth, good works and critical building projects we have been able to complete:

- In 2024, AC units were replaced and other critical repairs were completed as recommended by our dedicated Quality Assurance Ministry.
- In 2025, we were able to replace our 40-year-old roof which was in critical condition and repair water damage to our Sanctuary from a storm.
- In 2025, we've been blessed to have 42 members to join NBC and 24 baptisms year to date!
- First time visitors join us weekly and our church membership is growing.
- God uses our facility to feed and clothe thousands of people in the community including some of our very own by working with strategic non-profit partners and volunteers.

As we navigate 2025, we are facing new challenges. Our sanctuary is becoming too small to accommodate our growing congregation, and we urgently need to pay off the balance of our roof loan. Unfortunately, we currently lack the funds to tackle both issues without taking on additional debt.

Other challenges include, but are not limited to the following:

- Giving has declined despite the rising need for God's Work to continue.
- Fixed expenses are higher making it difficult to meet our operational needs.

HOW CAN YOU HELP?

To address these needs, we humbly ask for your financial support.

Please join me from **October 27th to October 31st** for **5 days of prayer**, dedicating at least 5 minutes each morning and evening to seek God's guidance on how you can help or give a little more.

During your Meditation Moments with God, please consider these requests:

1. **SPECIAL ANNIVERSARY GIFT:** Ask Him for a specific amount to give on November 2nd that will help pay off our \$158,000 roof loan balance.
2. **ONGOING FINANCIAL CONTRIBUTIONS:** Seek His guidance on a financial commitment you can consistently make, either weekly or monthly.
3. **BLESSING IN RETURN:** Pray for God's abundant blessings in all of your financial endeavors.
Remember, *whoever sows generously will also reap generously.* 2 Cor. 9:6

In closing, at NBC we love God, live with purpose, and lead others to do the same. We truly want to be a place where saints and their children can go and grow in a family atmosphere and in a clean and safe environment. May God reward you in ways we could never imagine. Thank you in advance for allowing God to use you to meet the needs of His church!

Together, we will continue to advance God's Kingdom!
