Justa Center provides life-sustaining resources, services, and support to assist homeless seniors on their path to housing and supportive services to help prevent a return to homelessness. Justa Center is a resource and day center for seniors 55 and older who are homeless in the metro Phoenix area. Justa Center transforms lives while assisting seniors to find appropriate housing, employment, and other much-needed services. Founded in 2006, Justa Center is where the senior homeless can find support, relief, friends, and a start to get their life back on track. In addition to transition resources, the Justa Center Extended Care program helps with move-in, start-up and continued care for our members.
