## **CONCLUSION:**

- The moments *before* the miracles are \_\_\_\_\_ when we walk through the pain with prayers and presence of friends.
- Miracles are \_\_\_\_\_, specifically because we could not perform them ourselves. (7:37)
- Miracles are \_\_\_\_\_, specifically because God's power and sovereignty are displayed in them. (7:37; GEN 1:31; ISA 35:5-6)
- Miracles are always intended to \_\_\_\_\_ us in faith. (2COR 12:8-10)
  - Remember, God has designed this handicap and hardship for his \_\_\_\_\_ – whether he heals or not.
  - A physical handicap is far \_\_\_\_\_ than a spiritual handicap.
  - Salvation is a \_\_\_\_\_ miracle than physical healing.
