00:59:33	Etta Russell-Scott:	This resonates with me. I’ve always called upon God without any picture of what form God took.

01:15:17	Etta Russell-Scott:	Sometimes I have such difficulty listening to a prayer that is being delivered sincerely, simply because often I have to filter through the language of the speaker. Language and terms that I have challenges with. I listen to the spirit coming through if possible. Or sometimes I simply have to stop listening.
