**The Silver Bucket for March is Simdel**

Simdel is a non-profit begun by a native of Togo and his wife, now residents of Sioux Falls. It is a Children's Education Ministry for this tiny country in West Africa. Primary school is free for its people, but uniforms, backpacks and supplies are not. This prevents many from attending school in this impoverished country. Simdel gives students & teachers these needed items as well as some scholarships to go on to further education. More information in your March Messenger.
