Faithful Giving During the Summer

We hope you are enjoying this beautiful summer! This is just a friendly reminder that as you are out there discovering the world or finding rest for your soul, please remember that church expenses and programs continue through these sunny months, too. Thank you for your continued financial support and regular Sunday giving to keep our ministries running smoothly.

Discipleship Opportunities are All Over!

If you find yourself wanting to be more involved in our faith family....there are plenty of places to help build your faith and your confidence as a Child of God. And we would love to share these opportunities with you. We have spots available with our kids, for sound and powerpoint on Sundays. Sunday Counting, fill ins when someone can't do something, help with Community Meals, folding team, the list is endless. There are spots that can be done in the background (we would love to have someone send out cards), more active roles and everything in between.
