

Hi, we are A&J.

We multiply house church movements among unreached Muslim people groups without access to the Good News through consistent, strategic, spirit-led prayer and by making disciples who make disciples.

We share the Good News with Muslims in Asia and Africa who have never heard the Gospel, and invite them to follow Jesus. We train those who believe to do the same and lead prayer for the Muslim world. Following the example of the first followers of Jesus, we devote ourselves to prayer, disciple-making, and training. We seek to use our gifts, practical skills, and professions to bless communities we live in. We have led several education, relief, development, and business projects to open new doors for God's Kingdom. Above all, we value building relationships to share the love of Christ!

Those who follow Jesus are often persecuted in our region, and spiritual warfare is common. Christ has transformed our lives, and we are seeking prayer partners and financial partners to empower us to grow God's kingdom.

"We will devote ourselves to prayer and to the ministry of the word."
Acts 6:4

Our prayer and monthly financial partners empower us to bless the nations.
