CORE

Authentic Relationships

VALUES

Further Reflections: 2/01

1. What was your favorite TV show growing up? Who were your favorite TV friends?
2. Genesis says, "It is not good for man to be alone." Why do you think isolation feels so normal in our culture, even though we're wired for connection?
3. Where have you seen community help you grow—or where has the lack of community held you back?
4. The sermon emphasized that faith isn't meant to be lived alone. What are some barriers that keep us from gathering consistently?
5. Why do you think sharing meals is such a powerful way to build relationships? Who might God be inviting you to share a meal with in the next few weeks?
6. Acts 2 shows people meeting needs sacrificially. What kinds of needs do you notice around you right now?
7. Why do you think serving with time, presence, or attention can be harder than serving with money?
8. Jesus says love is the defining mark of His followers. How does that challenge or affirm your understanding of faith?
9. What is one small step you can take this week toward more authentic relationships?
