

Connected Wednesdays — Beginning September 16

What might God grow in us if we made space to be rooted more deeply in Christ—and connected more closely to one another?

This fall, Connected Wednesdays will give youth and adults a weekly rhythm to worship, grow, build relationships, and be equipped to live our faith for the sake of others.

We'll begin together from 6:00–6:30 p.m. with praise, prayer, Scripture, and a short, focused message around one thing we can carry into the week.

Then, from 6:30–8:00 p.m., we're offering four discipleship pathways to choose from depending on where you are in your journey with Jesus:

Discovery Bible Study — Open Scripture, ask honest questions, and discover how God's Word shapes life in Christ and love for our neighbors.

Rooted Experience — An experiential journey of faith, designed to introduce or reset relationships, prayer, spiritual practices, service, generosity, and purpose.

PLI Leadership — Grow as a Christlike leader for church, home, work, and community—strengthening the way we communicate, connect, cooperate, and serve together.

Youth Group — Middle and High School students gather to focus on faith, friends, honest conversation, Scripture, and practical encouragement for following Jesus in everyday life.

Naturally there's a fun time planned for the "littles" as well!

This isn't just another program to add to the calendar. It's an invitation to make room for God to deepen our roots, strengthen our life together, and bear fruit through us.

So, begin praying now:

Where is God inviting me to grow this fall?

Who could I invite to come with me?

Which pathway might help me take my next faithful step?

AND mark your calendars -
