

The Rooted Experience

Connect with God. The Church, Your Purpose

As we grow deeper roots in Jesus together, it's our prayer that everyone at Christ the King experience deeper trust, stronger relationships, and greater clarity about the life God is calling us to live.

The Rooted Experience is a **10-week discipleship journey** designed to help you grow deeper roots in Christ through honest conversation, Scripture, prayer, spiritual practices, service, generosity, and community.

This is not just another Bible class.

It is an invitation to slow down, pay attention to what God is doing in your life, and walk with others who are asking many of the same questions:

- Who is God, really?
- How does God speak with us?
- Where is God in times of suffering?
- What keeps us from living freely by faith?
- How do we make the most of the life God has given us?
- What is our place in the Church and in God's mission?

Along the way, you'll practice seven rhythms that help move faith from something we simply believe into a life we actually live:

-  **Daily Devotion.**
-  **Prayer.**
-  **Freedom.**
-  **Service.**
-  **Generosity.**
-  **Sharing Your Story.**
-  **Celebration.**

Rooted is for people at every stage of faith—whether you are new to Christ, returning after time away, looking for deeper connection, or simply ready for your next step.

You do not need to have everything figured out. You just need to be willing to show up, be honest, and make room for God to grow deeper roots in you!

The Rooted Experience begins
Wednesday, September 16.
Connected Wednesdays | 6:00–8:00 p.m.

*Come ready to connect with God.
Come ready to connect with others.
Come ready to discover your purpose.*
