

The Confirmation Pathway

A New Approach to Confirmation at Christ the King

We're excited to launch **The Confirmation Pathway**, a flexible, family-based journey through God's Word and the Christian faith, open to everyone!

Instead of gathering every week for a traditional classroom, participants complete approximately **one hour of learning each week at home** using online learning resources, then gather **once a month** for **Pizza with Pastor** to share a meal, discuss what they've learned, ask questions, and encourage one another in faith.

We believe parents are the primary faith teachers of their children, and the Confirmation Pathway is designed to equip families to learn, discuss, and grow together. Our goal isn't simply to complete a confirmation curriculum—it's to help people of all ages build a lifelong foundation in God's Word and confidently live out and share their faith.

What to Expect

Kairos Confirmation Project

Complete approximately one hour of online lessons each week featuring engaging videos, Scripture, and teaching through Luther's Small Catechism.

Read *The Story*

The Story is a Journey through the Bible chronologically to see God's plan of salvation unfold from Creation to the early Church.

Pizza with Pastor

Once each month we'll gather for lunch, discussion, prayer, and honest conversation. Bring your questions—we'll grow together as we explore God's Word and the Christian faith.

Family-Based Learning

Parents are encouraged to complete the lessons alongside their students, creating opportunities for faith conversations at home.

Open to Everyone

Never went through confirmation? Want a refresher course? Or do you just want to grow in your understanding of Scripture and the faith we share? The Confirmation Pathway is NOT just for students. **All are welcome to participate.** We'd love to have you join us on the Confirmation Pathway.
