day classes on 10/30**

COMMUNICATION:

Every Tuesday the preschool office sends out an email to all families called Vertical Response. This email keeps you updated on current events at the preschool. If you have not been receiving the emails, please stop by the office to make sure we have your correct email address.

Please call, stop by, or email the office anytime - our doors are always open to you!

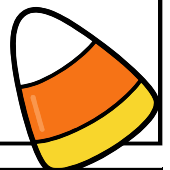

SAFETY MONTH

Our theme for the month of October is "Safety First" and we will be introducing the children to our fire, earthquake, and intruder drills through age-appropriate stories and practice.

We will also be diving into fall while learning about pumpkins, exploring through science, and continuing to build friendships in the classroom and on the playground!

Friday, October 30th is Messiah Lutheran's annual Trunk or Treat - school will close at 4:00 to prepare our campus for the evening event. Bring your family and friends and make sure to stop by our preschool trunk.

Rebekah Petinak, Director

ANNUAL FUNDRAISER

Our annual fundraiser, the fall fun-a-thon will be held October 29th and 30th. The children will participate in this event on the playground, and each child will be acknowledged for their participation with a fun prize. This one fundraiser makes a huge difference in what we can provide for our preschool children throughout the year as well as funding our end-of-the-year family picnic. Thank you for your support!
