TREASURES FROM OUR TRADITION

The symbols and actions of baptism evolved around the experience of adults dying to old patterns of life and rising from the waters of baptism as new creations. As for newborn babies, at first it was desired to wait until the following Easter, when they could be baptized, anointed with chrism, and given a taste of the Eucharist in association with adults. The Church was always willing to baptize adults in emergency situations outside the Easter timetable, and in time, since infancy itself was a life threatening situation, the baptism of babies became commonplace. As with the "emergency" adult baptisms, it was required that parents bring the child, as soon as health was recovered, to the bishop for the full menu of sacraments.

The very real fear of death for infants thus created a situation in which the three sacraments drifted apart from each other, and away from their original, adult celebration at Easter. Today, at last, we know a great deal about how our practices evolved. This knowledge is reshaping how we celebrate Easter, how we receive adult faith, and how we structure the faith journey of children.

—Rev. James Field

TRADICIONES DE NUESTRA FE

Los retablos de metal son famosos en muchas partes de Latinoamérica. Estos pequeños retablos o laminas contienen imágenes de Cristo, la Santísima Trinidad, María, los ángeles u otro santo/a pintados sobre lámina, madera u otro material para decorar los altares familiares de los hogares hispanos. Aunque los retablos no siempre siguen las normas del arte cristiano, los retablos latinoamericanos son bellos ejemplos de la mezcla de culturas amerindias, europeas y africanas. Pero no todos los retablos son pequeños. En muchas iglesias coloniales de Latinoamérica se encuentran retablos gigantescos hechos de mármol o madera, cubiertos de oro y joyas que recuerdan los grandes retablos europeos, pero con el color y folclor latinoamericano.

Originalmente, los retablos europeos eran pequeños y móviles, de tal manera que se podían colocar sobre un altar para la celebración de la Misa. Cuando la Iglesia fue construyendo sus propios templos, los retablos empezaron a formar parte de la decoración de los santuarios y tomaron dimensiones impresionantes. Los retablos pequeños pasaron a los hogares de los fieles, quienes quieren tener a Cristo y sus santos como parte de su diario vivir.
