ST. EDWARD'S YOUTH MINISTRY

April 24 - 6:00 p.m. Adoration of the Blessed
Sacrament

The stone rejected
by the builders
has become the
cornerstone.

In the reading from Acts, Peter explains to the leaders of Israel how they cured a crippled man. They probably expected Peter to take credit for the cure, so they were waiting for him to hang himself by his words. Peter, of course, gives the credit to Jesus and then makes two important points.

First he calls Jesus the "stone you builders rejected, which has become the cornerstone." Jesus was rejected by fellow Jews when he was crucified, but was actually doing God's will when he gave his life on the cross. This gave comfort to those who had expected the leaders of Israel to follow Jesus and recognize him as the Messiah.

The second point made by Peter was that Jesus is the one and only savior of the world. In those days, the Roman emperor was considered to be a god and was called a savior. While we no longer look to politicians to be saviors, we need to remember that Jesus is **the** Savior: he forgives our sins, shows us how to love God and our neighbors, and hears our prayers. And in the end, he is with us when we die to bring us to eternal life. Now the choice is yours: to reject the Savior or make Him the cornerstone of your life.
