TREASURES FROM OUR TRADITION

Ordinary Time beckons, and so on this Sunday we surrender the last glimmers of paschal joy as we celebrate the renewal of our life around the table of the Eucharist. This feast reminds us that the goal of the catechumen's journey through Lent is not the baptismal font at Easter, but rather the experience of Pentecost. It is all about life lived in the Spirit's embrace in relationship to the Body of Christ, which is found both "on the table" and "at the table."

The season of confirmation is also drawing to a close, and this feast serves as a reminder that this sacrament, a solemn sending from font to table, is keyed to renewed vigor. Confirmation has sometimes been sadly misunderstood as a kind of graduation from religious formation, but it is nothing of the sort. It is about being led by the Lord Jesus to the place where the Spirit flourishes, and where the gifts of the Spirit are most easily detectable. After next week we will resume our consideration of the sacrament of confirmation, its rich and somewhat tangled history, its challenging theology, and its changing celebration.

—Rev. James Field
