General Description:

Cornerstone Christian Academy has been educating students since 1997. CCA is located on a 78-acre tract of land 3 miles east of Towanda-Barnes Road. Students come from Bloomington-Normal and the surrounding communities in McLean County, and beyond.

School System:

CCA has over 500 students enrolled in Early Ed, Lower School (K – 5), and Upper School (6 – 12). CCA is governed by a self-perpetuating board of trustees.

Philosophy:

As an independent, Christ-centered school, we believe the task of Christian education is one shared by the school, church, and home. We believe in equality of all persons before God and in the development of the whole child. We acknowledge that the avenues to understanding and knowledge are diverse and yet bound and guided by Biblical truth. We strive to develop life-long learners who seek genuine Christian maturity.

Accreditation:

Cornerstone Christian Academy is fully accredited by the Association of Christian Schools International (ACSI). CCA is recognized by the Illinois State Board of Education (ISBE) and is a member of the Illinois Elementary School Association (IESA) as well as the Illinois High School Association (IHSA). Chapel, Bible Classes and Spiritual Formation:

Weekly Chapel services are followed by faculty-led Spiritual Formation Groups that are designed to build community, establish accountability, assist in applying what students are learning in Chapel, and train students to pray for one another. The Bible curriculum is designed to give an overview of both Old and New Testaments, with high school courses focusing on Church History, Theology, and Worldview development. In keeping with the school’s mission, CCA has developed the “Acts 1:8 Program” through which students serve locally, nationally, and internationally via partnerships with other service organizations.
